To meet the trend for using real wood veneers in bathrooms and other moist environments SL Hardwood have developed an exciting, new product range-

Decorative real wood veneers on Moisture Resistant 6mm & 18mm MDF (sheet size 2440 x 1220mm)

Whether for:

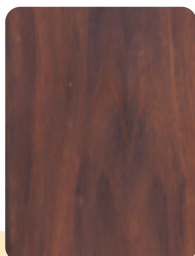

- Bath panels
- Vanity Units
- Wall panelling (but not in shower cubicles)
- Panelling to cisterns & pipework

Specify veneered, moisture-resistant MDF from SL Hardwoods with complete confidence and relax in a beautiful bathroom.

To complement the range, we can also offer:

- Real wood veneer iron-on edging strips (for application on site)
- A full cut-to-size and edge-lipping service
- Other veneers on a special order basis
- Solid hardwood framing & mouldings to match veneers.
