

## Rhino Adhesives

**RhinoBond** Professional strength waterproof glue specially formulated for multi-purpose applications. Suitable for a variety of materials including hard and soft woods, galvanised steel, GRP, various plastics, glass, cork, polyurethane foams, polystyrene, mineral wool, stone and stone to wood.

500ml £8.28 1ltr £14.83 12x 500ml £66.65 12x 1ltr £106.75

**WhiteRhino** A one part PVA emulsion adhesive with high bond strength. It can be used on all woods - soft, hard, chipboard, plywood etc. A good general purpose woodworking adhesive. For indoor use.

1ltr £9.29

**RhinoResin (One-Shot)** A powdered adhesive which is mixed with water before use. A synthetic resin, it is waterproof when dry. An excellent well proven adhesive for joinery, cabinet work or boat building.

750g £4.82

## RECORD POWER

See our website for the full Record range

### Belt & Disc Sander 10x6

BDS250

£291.66

Weighing in at 47kg and powered by a 1hp induction motor the BDS250 really packs a punch yet is also capable of fine and delicate work. The disc sander is a generous 254mm diameter. The sander is 150mm wide and the working surface is 420mm long.

### Economic Bandsaw

BS300E Bandsaw with free DVD

£416.66

Featuring a solid fence, vital for accurate ripping. A simple but solid blade tension indicator is fitted to the rear of the machine to allow for easy setup. The BS300E is also supplied with a basic wheel-kit as standard. FREE DVD INCLUDED.

### Compact Table Saw

TS200C

£641.66

The body is made from sheet steel and welded for rigidity and strength. The standard machine has a footprint of only 650mm (W) x 1000mm (L), making it ideal for the small home workshop. The whole saw unit is cast iron and is supported on the steel frame by two large cast iron trunnions, similar to industrial saws.

### Bench Morticer

BM16

£199.66

This machine brings industrial features to the benchtop at an affordable price. The table is finely ground cast iron and moves in both directions on machined dovetail slides. The machine has a capacity of 16mm driven by a quiet induction motor.

### Planer Thicknesser

PT260-X

£566.66

The PT260 features a cast iron thicknessing bed for strength and rigidity and boasts a 150mm thicknessing capacity. The specially hardened surfacing tables are 1 metre in length and will plane boards up to 260mm wide. The fence can be tilted to 45 degrees for bevelling and chamfering.

### Spindle Moulder

SM100

£916.62

The machine is heavily built and brings professional joinery within the reach of the serious home user. Powered by a substantial induction motor, this machine will make a great contribution to a home joinery or cabinet making workshop.

### Dust Extractor

DX1000

£108.32

This new dust extractor offers exceptional value for money. Built in China to our own design and specification it has been designed to outperform competing imports with heavier construction and better performance. And of course it still comes with our 5 year guarantee.

### Router Table

RPMS-R

£316.66

Our new router table accepts all popular routers, featuring a hinged table for easy router mounting and a heavy duty, finely ground cast iron table with integrated sliding carriage, fully adjustable left and right hand fences.

### Sash Clamps

30 inch £18.33  
36 inch £19.99  
42 inch £21.66

These are heavy duty bar clamps with solid steel bar sections ideal for a wide variety of clamping tasks. The clamp-heads and slides are cast from steel to provide ultimate strength and the lead screw has a rolled thread for strength and speed with a smooth action. Clamping Force: 3/4 Ton.
